Dear IN-BCCP Provider:

Please note that as of June 30, 2026, Indiana will be moving to a system of two regional coordinators. YWCA Greater Lafayette will be continuing to finalize claims and services that were done between June 30, 2025 and June 29, 2026 and there may be communication from and with them through August 30, 2026. All questions concerning services which occur after June 30, 2026 shall be address by your new regional coordinator, Lauren Gorski. From September 1, 2026 and moving forward, all IN-BCCP communication should be addressed to Lau

Your new regional coordinator will be:

Central Region: Lauren Gorski, ldietz@uhs-in.org, (574) 314-5422

The nurse consultants will continue to serve their current regions and will remain your contact. Their contacts are:

Northern Region: (Lina) Rosie Thrasher, LThrasher@health.in.gov, (317) 719-4915

Central and Southern Regions: Carol Combes, CCombes@health.in.gov, (317) 452-0087

Please feel free to reach out to me if you have any concerns or questions. I can be reached at jgries@health.in.gov, (317) 232-7901.

YWCA Greater Lafayette will continue to have funding available through the Indiana Breast Cancer Awareness Trust (IBCAT) and can continue to serve women for breast services who exceed the IN-BCCP income levels.

IDOH staff wants to recognize the incredibly hard work that all the regional coordinators do on of behalf Indiana's IN-BCCP clients and, as always, our gratitude to the hard-working providers who form the backbone of this important program that is reducing the cancer burden that Indiana faces.

Sincerely,
